Description of Services: Alternative Services, NE. is a non-profit organization that provides services to adults with intellectual and mental health disabilities. We offer residential services to both populations throughout Maine. We also offer Community Case Management and Daily Living Support Services to assist individuals with mental health challenges to live successfully in their community. We offer services in Androscoggin, Oxford, Somerset, Kennebec, Cumberland, Franklin, and Sagadahoc counties. We have office locations in Lewiston, Waterville, and Wilton. ASI-NE. has been serving individuals and families in Maine since 1995. Our mission is to support people to experience meaningful lives.
